Lecturers

d.school comes to Tokyo Tech

Design thinking,
the d.school and creative collaboration

d.school?

The d.school, Hasso Plattner Institute of Design at Stanford, is a hub for innovators at Stanford and was established in 2005. A lot of attention has been focused in the d.school, as the school for learning and executing "design thinking" to produce creative products and services. <http://d.school.stanford.edu/>

July

18th

17:00-19:00

Ookayama
W9,2F
Digital Multi-
purpose Hall

Only 100 slots !

If not filled, slots will be available on the lecture day

"Design Challenge", a special workshop for the limited students on 19 and 20 July. A specially designed workshop for Academy for Global Leadership(AGL), Tokyo Institute of Technology, will be held on 19-20/Jul/2014. This workshop will be available for the limited students including AGL members and will be a very good opportunity for them to exercise "design thinking" from the workshop.
